*FREE COFFEE 2012*  
NSCAD University | Student Artwork

# Acknowledgements

Welcome to another issue of *Free Coffee*, NSCAD University's annual publication of student artwork – made by students, for students, and for all lovers of arts, crafts, & design in our community and abroad.

This year's *Free Coffee* is joined by its sister project, *Free Latte*, an online accompaniment featuring even more works of art, along with works-in-progress and in-studio photos that evidence the vibrant activity inside the walls of NSCAD's campuses.

Neither would be possible without the contributions and enthusiasm of NSCAD's talented students, and the funding and support of our hardworking student union, SUNSCAD. Thanks also to the Anna Leonowens Gallery, Seeds Gallery, & Halcraft Printers.

Thanks to the *Free Coffee 2012* team: Jessy Donn-Barkley, Merle Harley, Sam Moss, Gabriel Parniak, Amber Solberg, Kizi Spielmann Rose, Laura May Taylor, & Jack Wong – along with everyone who lent a hand along the way.
