update Fern's position

Fern motions to strike Bylaw Constitution Committee, Peri seconds

\*Do we have to nominate chairs? Spokes person for the committee? Yes.

Dena Motions to appoint Isa as chair of Bylaw Constitution Committee and Peri seconds

### **Names for D270**

The previous food bank room

Hasn't been used yet this year

We now have ownership over it again

Want to use it for meetings or collective meetings or safe space to talk

Officially — for Sunscad meetings

Need a name on purple sign next to door

Name ideas:

“Sunscad space”

“The official lounge” (vip only)

“Sunscad safe space”

“Sunscad closet”

“Out of the closet with sunscad”

“Temporarily Back into the closet with sunscad and back out”

Semi – serious

Safe , inclusive

“Safe shack”

“Love shack”

Erin motions to name D270 “Sunscad Safe Space” Zoe seconds

Motion Passes

### **Love Dumpster**

Signs about No liquids, no razors, no food, etc.. are not being respected

Treating the space like a dumpster

People don't realize that people have to clean the space

New name appropriate for space

1“Thrifty forward”

2“Out of the closet “

3“Swap and drops”

Also rebrand it? Design collective?

Can we yard bomb it ? Knit over it?

Vote :

1) 3

2) 5

3) 2

Fern motions to rename “love dumpster” to “out of the closet” Isa seconds

Motion passes

### **Strike a sexual violence policy demand committee**

Art bar – problematic behavior – so committee would also create policy for them

Fast paced – everything needs to be together by October 18 so it can be approved by the government

Policy provided via email to all students to review – pressure and time sensitive

Art bar has nothing so far so needs alot of work

Colette – willing to help / provide resources to start list of wants and demands that school and art bar should be putting in their policies.

Isa motions to strike sexual violence policy demand committee, Peri seconds

Motion passes

Dena motions for Fern and Isa to co-chair the committee, Robin Seconds

Motion passes

\*Want to invite peer mentors as active listeners at those meetings

### **Strike external committee**

No one applied for VP external

VP external is in charge of communicating with external unions like CFS, and resources like South House etc..

Also organizes for rallies/ protests etc.

Alot of work, want a committee rather than splitting responsibilities between Fern, Brad, and Cassidy

Committee would replace that

Dena- open to being on the committee – co chair with someone? - co chair with Cassidy

Peri motions to strike an external committee, Fern seconds

Motion passes

Isa motions to appoint Cassidy and Dena as co chair for external committee, Peri seconds

Motion passes

### **Mark/ student email**

Student emailed asking to add a topic to meeting

Campus equipment – technicians

Students to open eyes to budget cuts

Message from council could turn up the volume

Invite Mark to our next meeting

### **Pizza**

Having snacks in meetings

Send out email for sensitivity's and allergies

Do we have the budget for pizza? Maybe bi-weekly?

General approval but will vote at next exec

### **CFS AGM**

Isa and Cassidy will attend

If someone else is interested find funding

If wanting to be an exec next year, good to attend

Dena interested in going - November 16-19

Will talk to Dena after meeting

Erin interested

\*Dena –note: orientation concerns

Accessibility

Very loud but no way to be outside room – lack of viewing

Clapping, loudness – overstimulating not waiting till the end so people can leave

Slides not containing writing for hearing impaired or for distanced viewing

### **Class Talks**

Intro of sunscad people, resources etc

Hard to reach students – face to face is easiest

Do it in pairs

Can use the class talks to promote and introduce different things (like study hall)

Mental health resources etc.

Advertise:

that there are more rep positions available

Hiring new Designer for Sunscad

### **Announcement for print shop**

Robin :

Color printing usually at photo department

Students couldn't print homework due to print hours

Talked to other students who are struggling with similar experiences

Very busy, only one person doing the printing

9-4

Start a petition- show there is enough people who have an issue with it

Have their signatures, Sunscad will help create that

====

South house coming to do training October 10 1-2pm

Isa will send an email reminder
