## **Residencies/Housing:**

Since NSCAD does not have an official dorm residency, students who come from abroad (whether international or national) have a number of options to look into when looking for a place to stay.

The following websites have information about residencies that NSCAD students living in Halifax can apply for. Some options are dorms from surrounding Universities (ex. King's College, Saint-Mary's, and Atlantic School of Theology), some are off-campus locations (ex. Granville hall), and others are more private.

<https://my.nscad.ca/newstudents/residenceoptions.ezc> or,  
<https://nscad.ca/current-students/student-resources/housing-information/>

Also, if you want to reach out to other students specifically, you can visit NSCAD YARD \$ALE.

<https://www.facebook.com/groups/237461526460762>

^ This is a student-directed facebook page that functions outside of NSCAD, but it's a nifty place to sell and buy used textbooks and other materials or simply peruse to find a roommate.

Community Studio Residency (*outside of Halifax*)

<https://nscad.ca/current-students/experiential-learning/community-studio-residency/>

^ For emerging artists looking for opportunities to expand their community engagement at NSCAD but outside of the Halifax area, this is a perfect program to look into!

Cape Breton Studio Residency (*outside of Halifax*)

<https://capebretoncraft.com/artist-programs/air/nscad/>

William and Isabel Pope NSCAD Painting Residency 2022 (*in Halifax, applications due soon!*)

<https://akimbo.ca/listings/call-for-applications-william-and-isabel-pope-nscad-painting-residency-2022/>

NOTE: Before making a decision, it is best to look through all the options available, and contact a guidance counselor or a past-resident if you can.
